by Judy Brookhart and Amanda Kuhlen

Dear Parents,

As many of you know, **Light the Night** was a huge success. More than 300 parents, teachers, staff and students came together for the walk, and time of enjoying illuminations in our school. The weather was perfect, and everyone seemed to be having a wonderful time.

On the walk to Indigo Lake

Taylor's Posse Banner featuring signatures of attendees

We will give a financial report in a couple of weeks when everyone has paid for their pre-ordered t-shirts.

If you are someone with a bill still outstanding, we'd appreciate your sending the money in, so that we can prepare a check to the Leukemia/Lymphoma Society; and if you are not sure what you owe, just give us a call.

In the meantime, just enjoy the accompanying photographs that truly show a community, with love and joy, **Lighting the Night!**

Serving together,

Judy & Amanda

Having fun with the illuminations, cider and donuts back at school.
