

Service Learning News

12.7.09

by Amanda Kuhen

Dear Parents,

Seeing Red Update

During assembly on Tuesday, December 8, I will present a check for \$2,000 to Ms. Kellner, a representative of the Leukemia and Lymphoma Society, in honor of eighth grader Taylor Chlebina.

Pennies for Peace

Please continue to support the Fifth Graders Pennies for Peace project. Since the beginning of the school year, **fifth grade** students in our **Intermediate School** have been actively working on a service project based on their summer reading assignment. Students read *Three Cups of Tea*, by Greg Mortenson. Time is running out the **fifth grade** will only be collecting pennies until winter break!

First Grade Mitten Tree

The **First Grade** Mitten Tree will be back up in the Firestone Lobby, near the dining room entrance, on Wednesday, December 9. First graders are collecting new hats, scarves, gloves, and mittens for the students at Mason Elementary in Akron. Large child sizes are also needed for the school's safety patrol students. Mason Elementary school is in the same zip code as another Old Trail School service supported organization, the Williard Food Pantry. Donations will be collected until January 14.

Serving together,

Mandy
